

# Outstanding Paper Award

WMINST organized the Outstanding Paper Award in April, 2012. There are three submissions for the William Mong Outstanding Paper Award. The Steering Committee (WMINST) has invited the three candidates to present their paper on April 27, 2012. The Steering Committee is pleased to announce the awardees and the amount of award as follows:

XU Xinpeng – HK\$5,000

WANG Shubo – HK\$5,000

ZHANG Lining – HK\$3,000

## *About the Candidates*

**Name:** WANG Shubo

**Title of Paper:** *Sizable electromagnetic forces in parallel-plate metallic cavity*

**Program:** PhD in Nano Science and Technology

**Name:** XU Xinpeng

**Title of Paper:** *Hydrodynamic Boundary Conditions for One-Component Liquid-Gas Flows on Non-Isothermal Solid Substrates*

**Program:** PhD in Nano Science and Technology

**Name:** ZHANG Lining

**Title of Paper:** *Uniaxial Strain Effects on Electron Ballistic Transport in Gate-All-Around Silicon Nanowire MOSFETs*

**Program:** PhD in Electronic and Computer Engineering
